

RAGNAR

MANUFACTURING

PERFECT FOR

- Island Sinks
- Multi-Unit Projects
- Single Family Homes
- Bathroom Groups

With Decades of experience in Design, Manufacturing and Sales of AAVs, we came together to design the most compact, efficient and longest lasting AAV on the market. With over 7x the minimum airflow requirement, RAGNAR is the **KING** of AAVs. EZ Install and unbeatable prices makes this Ultra-Quiet vent the smartest choice for all uses.
